

Volunteer Opportunities and Docent Training

The Lighthouse ArtCenter is lucky to have a large group of wonderful volunteers. They make such a difference by donating their time and talents. We very much appreciate all that they do for the ArtCenter Museum and School of Art. We hope that you will consider becoming one of them!

Join us for **The Volunteer Orientation Breakfast** at 10 a.m. on Wednesday, October 30, 2013, in the Museum. To attend, RSVP to (561) 746-3101.

There are many opportunities for volunteering, including greeting at the front desk, special events, help preparing and serving hors d'oeuvres at receptions, curatorial and docent tours, as well as specific needs such as grant writing. Volunteers accumulate hours and use them towards an art class at our School Of Art.

Meet new friends and have a great time working together at the Museum and the School of Art. If you are interested in finding a fun and fulfilling way to give back to your community while being surrounded by beautiful art, volunteer at the Lighthouse ArtCenter Museum or School of Art!

A new, intense **Docent Training** will begin in November with in-depth programs by outstanding art historians. The training is underwritten by Barbara Kirsch and Judy and Tuck Brubaker.

To enroll in the docent training program, or to volunteer, call Evelynne at (561) 746-3101.

FACILITIES

Thanks to donors we have a new kitchen

Thanks to many generous people and businesses, the Lighthouse ArtCenter has a new kitchen! ArtCenter Board member and Treasurer, Fred Putney, and his wife Mary Lynn, spearheaded the new room by soliciting friends who were remodeling their kitchens. Marty and Kathy Becker donated the cabinets and Bill and Jeananne Harris donated the appliances.

Dennis McDonald of *John McDonald Company* coordinated the installation of the remodel, with assistance from Cathy Crosby. *Schrapp's Fine Cabinetry* not only demolished the 42-year-old space, but created a design to fit in the new cabinetry into the existing kitchen space. *Schrapp's* owners, Beverly and Keith Levine also donated a brand-new kitchen sink.

Board member Susan Bardin, Vice President of *Peacock + Lewis Architects and Interior Design*, contributed her design skills and secured the flooring and countertops donations.

Many people and businesses have

given so generously to this project. They have created a beautiful, functioning kitchen for the Lighthouse ArtCenter. Everyone did an amazing job and our heartfelt thanks go out to you all!

Fred and Mary Lynn Putney, for underwriting the installation of the floors and countertops, as well as making the remodel possible with their amazing determination!

Also many thanks to Bridgette Caporaso, Michelle Eagan and Bill McDermott of *Schrapp's Fine Cabinetry*; Michael Strahan of *We'll Floor U* for the installation of the floor tiles; John Panozzo at *Celtic Kitchen and Bath Design Center* for donating the granite for the countertop; Justin Walsh at *Jack Walsh Carpets and Rugs* for the donation of the floor tile; David Erving of *Wavelength Electric*; Rick Brame of *Master Plumbers*; and Cameron Fockler.

Now that we have a functional (and beautiful) kitchen, holding events at the ArtCenter will be a breeze!
