JOHN DENNIS McDONALD

John McDonald Company • 947 Alternate A1A, Suite F • Jupiter, FL 33477
(561) 747-4114 • www.JohnMcDonaldCo.com

John Dennis McDonald is known as just "Dennis" to his family, friends, clients and the entire Jupiter community. When Dennis is not lining up a birdie putt, playing blues guitar with some friends, or enjoying time with his cherished children, he is building and remodeling award-winning luxury homes.

Dennis is president of John McDonald Company, which continues to hold the highest standards of excellence in design, craftsmanship, and beauty. John McDonald Company provides its clients with an incomparable level of service and a tried and true team; the same team that has built every McDonald home since 1984, which after 28 years continues establishing life-long relationships with clients as well as respected subcontractors in every trade.

Determined to interpret the customers' vision with careful attention to every detail, Dennis McDonald oversees all areas of construction from design through completion. He is on-site regularly to ensure that each residence is of the highest quality and true to its design. John McDonald Company's unswerving dedication to exceptional service and quality craftsmanship is a direct result of the perfection and values of John Dennis McDonald.

What are the key influences in your work today?

Our primary influence is always the same ...the client.

How do you define luxury?

Luxury is defined differently for each homeowner. One man's ceiling is another man's floor. I define luxury as exceptional quality with extreme comfort.

How do you think your clients would characterize you?

Dedicated, hardworking, creative, honest and resourceful.

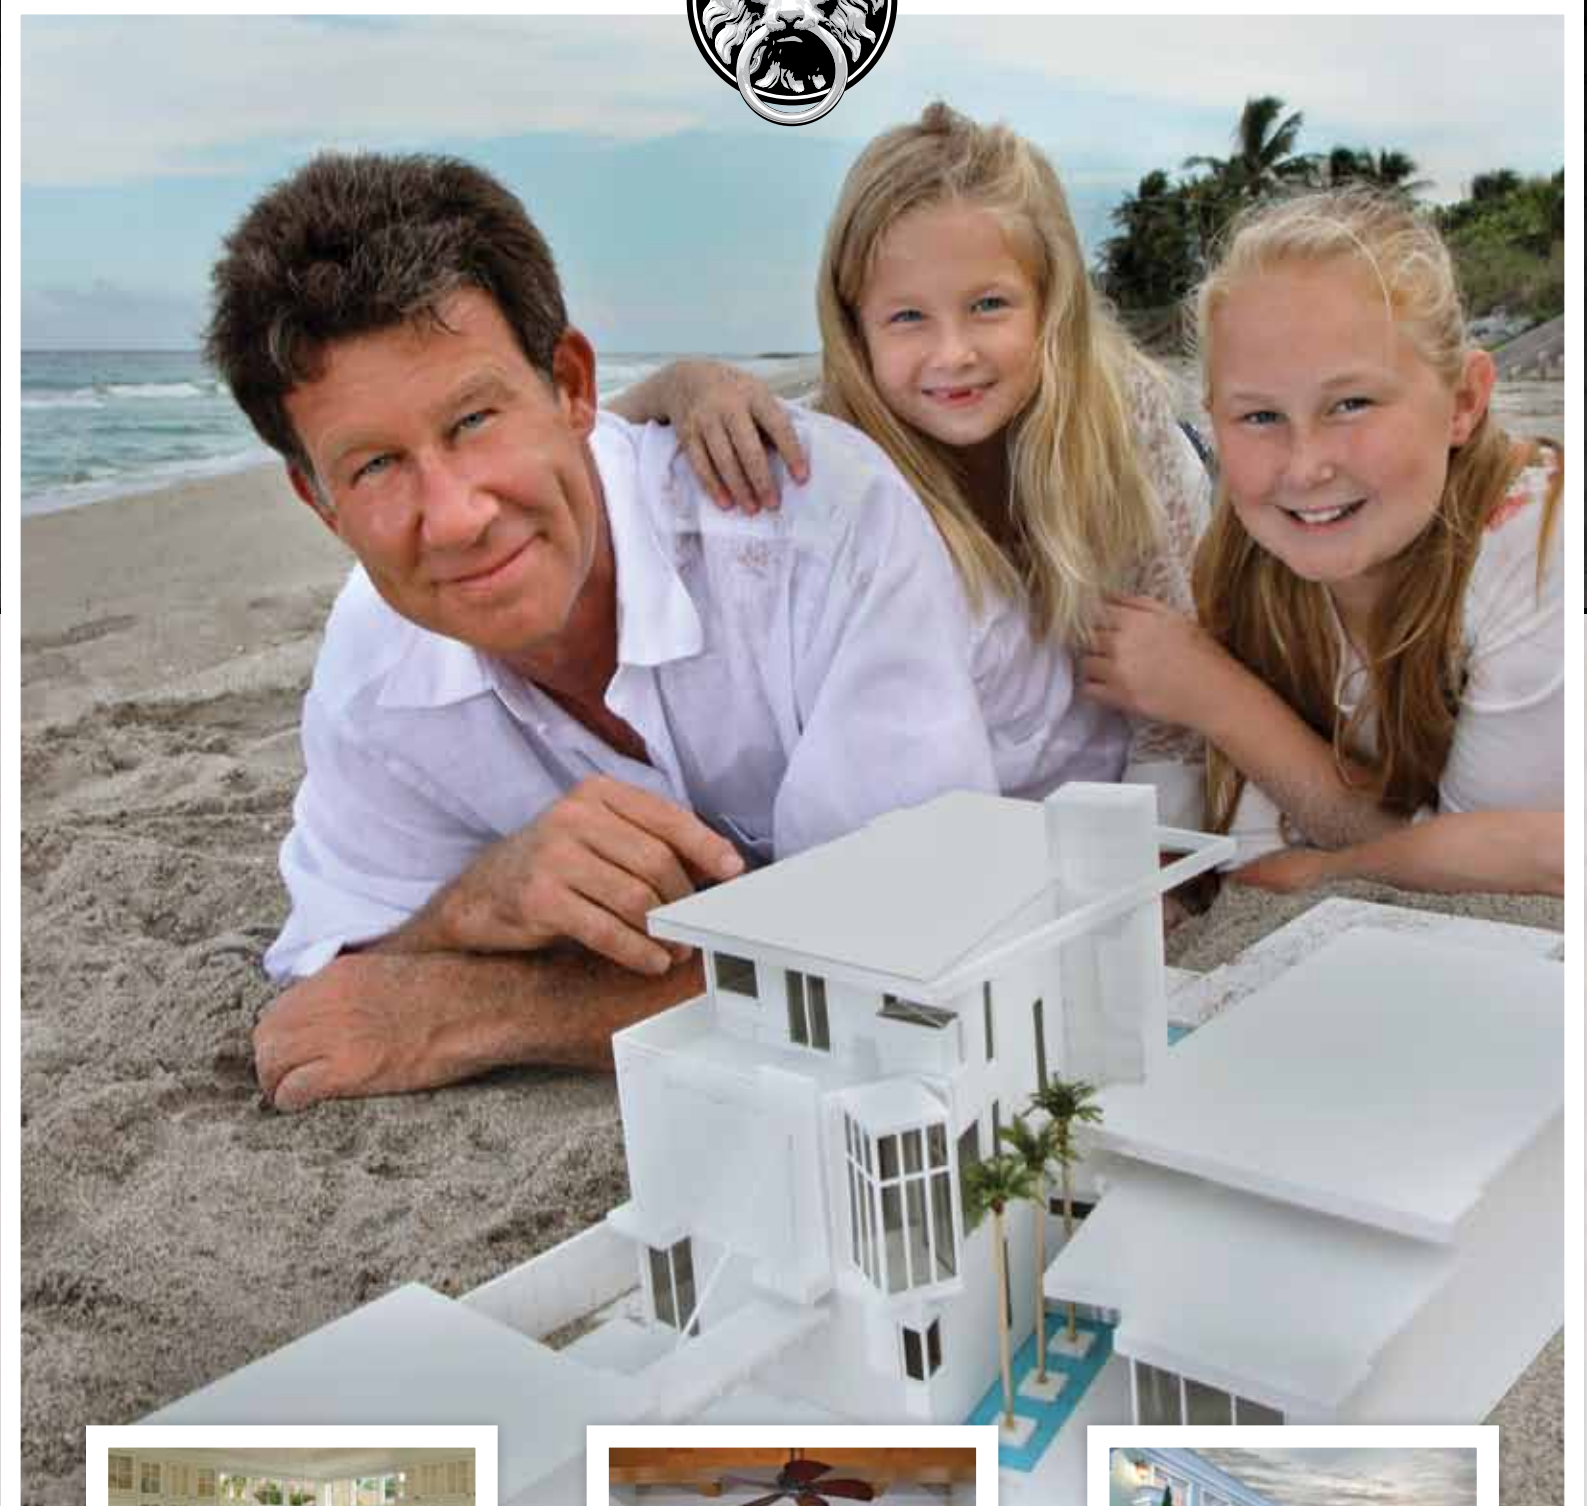

What are your favorite types of styles to work on?

I really enjoy all styles as long as we can be authentic and true to the style.

Who has most influenced your work?

My work ethic and values were most influenced by my father.
